Dear Sir or Madam:

This vehicle has been authorized by Department of Motor Vehicles (DMV) and the California Highway Patrol to use a Digital License Plate, under the trademarked name Rplate, in lieu of a standard issue rear license plate. This vehicle is participating in the DMV's program for Alternatives to Traditional Registration Products, pursuant to California Vehicle Code Section 4853(b).

Pilot participants must retain the DMV-issued rear metal plate with current registration stickers in the vehicle. In the event of loss, theft, or damage to the Rplate, the DMV-issued rear metal plate must be placed back on the vehicle immediately.

Please keep this letter in your vehicle at all times.

If you have any questions or concerns regarding this matter, please contact the DMV's Vehicle Registration Programs Development Section at (916) 657-6259, or contact Reviver Auto Support at 1-866-4-RPlate (477-5283).

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew Conway".
